Pursuant to the Exchange Agreement, Kimmeridge has agreed to exchange (the “Exchange”), on the Closing Date (as defined in the Exchange Agreement), \$197.0 million in aggregate principal amount of Second Lien Notes held by Kimmeridge (the “Exchanged Notes”) for a notional amount of approximately \$223.1 million of common stock of the Company (the “New Common Stock”). Section 6.1 NYSE Stockholder Approval. The Company shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things reasonably necessary or advisable to obtain, as promptly as reasonably practicable, stockholder approval (“NYSE Stockholder Approval”) under the stockholder approval rules contained in Rule 312.03(b) of the New York Stock Exchange Listed Company Manual, for the issuance of the New Common Stock to Kimmeridge pursuant to this Agreement. Notwithstanding the foregoing, within 30 days following the date hereof, the Company shall prepare and file with the Commission a proxy statement in preliminary form containing the information specified in Schedule 14A of the Securities Exchange Act of 1934, as amended, in connection with obtaining NYSE Stockholder Approval (the “Proxy Statement” and such proposal to be approved by the Company’s stockholders, the “Related Party Issuance Proposal”). The Company shall cooperate and provide Kimmeridge with a reasonable opportunity to review and comment on the Proxy Statement (including each amendment or supplement thereto) and all responses to requests for additional information by and replies to comments of the SEC, including the proposed final version of any such document or responses, prior to filing such documents with the SEC, and the Company will give reasonable consideration to all comments reasonably proposed by Kimmeridge. The Company will take, in accordance with applicable law, the NYSE listing rules and its certificate of incorporation and bylaws, all action necessary to call, hold and convene a special meeting of its stockholders to consider and vote upon the Related Party Issuance Proposal as promptly as reasonably practicable after the filing of the Proxy Statement in definitive form with the SEC.

Section 6.2 Agreement To Retain Securities.

(a) From the date hereof until the Closing Date, Kimmeridge shall not, with respect to any shares of Common Stock Beneficially Owned or Exchanged Notes held by Kimmeridge, (i) Transfer any such Exchanged Notes or Common Stock or (ii) deposit any such shares of Common Stock into a voting trust or enter into a voting agreement or arrangement with respect to such shares of Common Stock or grant any proxy (except as otherwise provided herein) or power of attorney with respect thereto or (iii) agree (regardless of whether in writing) to take any of the actions referred to in the foregoing clause (i) or (ii).

(b) Notwithstanding Section 6.2(a), Kimmeridge may: (i) Transfer shares of Common Stock to one or more Affiliates who agrees in writing to be bound by this Agreement and delivers a copy of such executed written agreement to the Company prior to the consummation of such transfer, (ii) Transfer up to 500,000 shares of Common Stock or (iii) Transfer shares of Common Stock with the prior written consent the Company.

Section 6.3 Agreement to Vote.

(a) From and after the date hereof until the earlier of (i) the Closing Date and (ii) the termination of this Agreement in accordance with Section 8.1, Kimmeridge irrevocably and unconditionally agrees that it shall, at any meeting of the stockholders of the Company (whether or not an adjourned or postponed meeting), however called, (x) appear at such meeting or otherwise cause the shares of Common Stock to be counted as present thereat for purpose of establishing a quorum and (y) with respect to any meeting at which a vote of the Company's stockholders is requested, vote, or cause to be voted at such meeting, all shares of Common Stock then Beneficially Owned by Kimmeridge (including by proxy or written consent, if applicable) as of the record date set therefore:

(i) in favor of the Related Party Issuance Proposal;

(ii) against any other proposal, transaction, agreement or other action inconsistent with or made in opposition to approval of the Related Party Issuance Proposal or matters contemplated by this Agreement.

(iii) against any other proposal, transaction, agreement or other action that would or would reasonably be expected to result in a breach in any respect of any covenant, representation, warranty or other agreement contained in this Agreement; and

(iv) in favor of any proposal to adjourn or postpone such stockholder meeting to a later date if there are not sufficient votes to approve the Related Party Issuance Proposal.

(b) From and after the date hereof until the earlier of (i) the Closing Date and (ii) the termination of this Agreement in accordance with Section 8.1, Kimmeridge hereby irrevocably and unconditionally grants to, and appoints, the Company and any designee of the Company (determined in the Company's sole discretion) as its proxy and attorney-in-fact (with full power of substitution), for and in the name, place and stead of Kimmeridge, to vote or cause to be voted (including by proxy or written consent, if applicable) its then owned shares of Common Stock at any such meeting of the Company's stockholders contemplated by this Agreement in accordance with the Section 6.3(a). Kimmeridge further affirms that the irrevocable proxy set forth in this Section 6.3(b) is coupled with an interest and, except upon the occurrence of the Closing or termination in accordance with Section 8.1, is intended to be irrevocable.

(c) From and after the date hereof until the earlier of (i) the Closing Date and (ii) the termination of this Agreement in accordance with Section 8.1, Kimmeridge agrees not to take, and shall cause its controlled Affiliates and representatives not to take, any other action that could reasonably be expected to impede, interfere with, delay, discourage, postpone or adversely affect the transactions contemplated by this Agreement. Any attempt to vote, consent or dissent with respect to (or otherwise to utilize the voting power of), the shares of Common Stock Beneficially Owned by Kimmeridge in contravention of Section 6.2 and this Section 6.3 shall be null and void *ab initio*.

Section 6.4 Tax Matters. The Company and Kimmeridge agree that the transactions contemplated by this Agreement are properly considered a “recapitalization” under Section 368(a)(1)(E) of the Internal Revenue Code of 1986, as amended. Each of the Company and Kimmeridge shall report the transactions contemplated herein consistent with this Section 6.4 and shall not take any position contrary on any tax return, audit, or otherwise except as clearly required by law; *provided*, that nothing in this Section 6.4 shall be interpreted to in any way hinder or prevent either Party’s ability to settle any audit, litigation, or other dispute with any taxing authority.

**ARTICLE VII
SURVIVAL; INDEMNIFICATION**

Section 7.1 Survival. The representations and warranties of the Company and Kimmeridge contained in this Agreement or in any certificate furnished hereunder shall survive Closing for a period of twelve (12) months following the Closing Date regardless of any investigation made by or on behalf of the Company or Kimmeridge, except (a) the representations and warranties of the Company set forth in Section 3.1, and 3.2, shall survive indefinitely and (b) the representations and warranties of Kimmeridge set forth in Section 4.1, and 4.2 shall survive indefinitely. The covenants in this Agreement that are to be performed in whole or part from or after Closing shall survive the Closing until fully performed.

Section 7.2 Indemnification.

(a) The Company agrees to indemnify and hold harmless Kimmeridge, its affiliates, directors and officers, from and against any and all losses, claims, damages and liabilities (including, without limitation, reasonable legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, any breach of its representations or covenants contained in this Agreement.

(b) Kimmeridge agrees to indemnify and hold harmless the Company, each of its respective directors and officers from and against any and all losses, claims, damages and liabilities (including, without limitation, reasonable legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, any breach of Kimmeridge’s representations or covenants contained in this Agreement.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such person (the “Indemnified Person”) shall promptly notify the person against whom such indemnification may be sought (the “Indemnifying Person”) in writing; *provided* that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and *provided, further*, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified

Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person in such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be paid or reimbursed as they are incurred. Any such separate firm for Kimmeridge, its affiliates, directors and officers and any control persons of Kimmeridge shall be designated in writing by Kimmeridge and any such separate firm for the Company, its respective directors and officers and any control persons of the Company shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

**ARTICLE VIII
MISCELLANEOUS**

Section 8.1 Termination.

(a) This Agreement may be terminated at any time prior to Closing as follows:

(i) by the Company and Kimmeridge upon the mutual written agreement to terminate the Agreement;

(ii) by the Company or Kimmeridge if the consummation of the Exchange has not occurred at or prior to 11:59 p.m. on December 31, 2021 (the "Outside Date");

(iii) by the Company or Kimmeridge in the event of an order, judgment or decree delaying the consummation of the Exchange beyond the Outside Date; or

(iv) by Kimmeridge, if the Company has materially breached this Agreement, or by the Company, if Kimmeridge has materially breached this Agreement.

(b) In the event of any termination as provided in this Section 8.1, this Agreement, solely as it relates to the agreements contained herein between Kimmeridge and the Company, shall immediately become void and of no further force or effect; *provided, however*, that the provisions of this Article VIII shall survive any such termination. Notwithstanding the foregoing, in no event shall any such termination pursuant to this Section 8.1 relieve Kimmeridge or the Company from: (i) liability for its breach or non-performance of its obligations under this Agreement before the date of such termination or (ii) any obligations under this Agreement which expressly survive any such termination hereunder.

Section 8.2 Severability. The invalidity or unenforceability of any provision hereof will in no way affect the validity or enforceability of any other provision or the validity and enforceability of this Agreement in any other jurisdiction.

Section 8.3 Governing Law; Jurisdiction. This Agreement will in all respects be construed in accordance with and governed by the substantive laws of the State of New York, without reference to its choice of law rules. All actions or proceedings arising out of or relating to this Agreement will be heard and determined exclusively in any federal court of the United States of America sitting in the City of New York, Borough of Manhattan; *provided*, that if such federal court does not have jurisdiction over such action or proceeding, such action or proceeding will be heard and determined exclusively in any state court sitting in the City of New York, Borough of Manhattan. Consistent with the preceding sentence, the parties hereto hereby (i) submit to the exclusive jurisdiction of any federal or state court sitting in City of New York, Borough of Manhattan, for the purpose of any action or proceeding arising out of or relating to this Agreement brought by any party hereto and (ii) irrevocably waive, and agree not to assert by way of motion, defense, or otherwise, in any such action or proceeding, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or

immune from attachment or execution, that the action or proceeding is brought in an inconvenient forum, that the venue of the action or proceeding is improper, or that this Agreement or the transactions contemplated by this Agreement may not be enforced in or by any of the above-named courts.

Section 8.4 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

The Registration Statement filed with the SEC pursuant to this Section 2.01 shall be on Form S-3 and, if the Company is a WKSI as of the filing date thereof, shall be an Automatic Shelf Registration Statement or, if Form S-3 is not then available to the Company, on Form S-1 or such other form of registration statement as is then available to effect a registration for resale of the Registrable Securities, covering the Registrable Securities, and shall contain a prospectus in such form as to permit any Selling Holder covered by such Registration Statement to sell such Registrable Securities pursuant to Rule 415 under the Securities Act (or any successor or similar provision adopted by the SEC then in effect) at any time beginning on the Effective Date for such Registration Statement. The Company shall use its reasonable best efforts to cause a Registration Statement filed pursuant to this Section 2.01 to be declared effective as soon as reasonably practicable thereafter. During the Effectiveness Period, the Company shall use its reasonable best efforts to cause a Registration Statement filed pursuant to this Section 2.01 to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another registration statement is available for the resale of the Registrable Securities until all Registrable Securities have ceased to be Registrable Securities; *provided*, that the Company shall not be required to supplement or amend such Registration Statement more than once in any calendar quarterly period to name additional parties as the result of any transfer of registration rights. The Company shall prepare and file a supplemental listing application with the NYSE (or such other national securities exchange on which the Registrable Securities are then listed and traded) to list the Registrable Securities covered by a Registration Statement and shall use its

reasonable best efforts to have such Registrable Securities approved for listing on the NYSE (or such other national securities exchange on which the Registrable Securities are then listed and traded) by the Effective Date of such Registration Statement, subject only to official notice of issuance. As soon as practicable following the Effective Date of a Registration Statement, but in any event within three Business Days of such date, the Company shall notify the Required Holders of the effectiveness of such Registration Statement. When effective, a Registration Statement (including the documents incorporated therein by reference) will comply as to form in all material respects with all applicable requirements of the Securities Act and the Exchange Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading (in the case of any prospectus contained in such Registration Statement, in the light of the circumstances under which a statement is made).

(b) Delay Rights. Notwithstanding anything to the contrary contained herein, the Company may, upon written notice to (i) the Holders, delay the filing of a Registration Statement required under Section 2.01, or (ii) any Selling Holder whose Registrable Securities are included in a Registration Statement or other registration statement contemplated by this Agreement, suspend such Selling Holder's use of any prospectus that is a part of such Registration Statement or other registration statement (in which event the Selling Holder shall discontinue sales of the Registrable Securities pursuant to such Registration Statement or other registration statement contemplated by this Agreement but may settle any previously made sales of Registrable Securities) if the Company (x) is pursuing an acquisition, merger, tender offer, reorganization, disposition or other similar transaction and the Board determines reasonably and in good faith that (A) the Company's ability to pursue or consummate such a transaction would be materially adversely affected by any required disclosure of such transaction in such Registration Statement or other registration statement or (B) such transaction renders the Company unable to comply with SEC requirements, in each case under circumstances that would make it impractical or inadvisable to cause the Registration Statement (or such filings) to become effective or to promptly amend or supplement the Registration Statement or other registration statement contemplated by this Agreement on a post effective basis, as applicable, or (y) has experienced some other material non-public event the disclosure of which at such time, in the reasonable and good faith judgment of the Board, would materially adversely affect the Company; *provided, however*, that in no event shall the Selling Holders be suspended from selling Registrable Securities pursuant to such Registration Statement for a period that exceeds an aggregate of 60 days in any 180-day period or 105 days in any 365-day period. Upon disclosure of such information or the termination of the condition described above, the Company shall provide prompt notice, but in any event within one Business Day of such disclosure or termination, to the Selling Holders whose Registrable Securities are included in such Registration Statement and shall promptly terminate any suspension of sales it has put into effect and shall take such other reasonable actions to permit registered sales of Registrable Securities as contemplated in this Agreement.

Section 2.02 Piggyback Rights.

(a) Participation. So long as a Holder has Registrable Securities, if the Company proposes to file (i) a shelf registration statement other than a Registration Statement contemplated by Section 2.01 and other than a registration statement on Forms S-4 or S-8 and any successor forms, (ii) a prospectus supplement to an effective shelf registration statement relating to the sale of equity securities of the Company, other than a Registration Statement contemplated by Section 2.01 and Holders may be included without the filing of a post-effective amendment thereto, or (iii) a registration statement, other than a shelf registration statement, and other than a registration statement on Forms S-4 or S-8 and any successor forms, in each case, for the sale of Common Stock in an Underwritten Offering for its own account or that of another Person, or both, then the Company shall give prompt written notice of its intention to effect such registration at least five Business Days before the proposed date of filing of the applicable Registration Statement or prospectus supplement, or at least two Business Days in connection with any overnight or bought Underwritten Offering, to the Holders and such notice shall (A) describe the intended method(s) of distribution, and the name of the proposed Managing Underwriter or Underwriters, if any, in such offering and (B) offer the Holders the opportunity to include in such registration statement, prospectus supplement or Underwritten Offering, as the case may be, such number of Registrable Securities (the “Included Registrable Securities”) as the Holders may request in writing (such request may include the Registrable Securities to be included on behalf of any other Holder, as specified by the Holders); *provided, however*, that if the Company has been advised by the Managing Underwriter of any such Underwritten Offering that the inclusion of all Registrable Securities that the Selling Holders intend to include in such offering exceeds the number that can be sold in such offering without being likely to have an adverse effect on the price, timing or distribution of the Common Stock in the Underwritten Offering, then (x) if no Registrable Securities can be included in the Underwritten Offering in the opinion of the Managing Underwriter without having such adverse effect, the Company shall not be required to offer such opportunity to the Holders or (y) if any Registrable Securities can be included in the Underwritten Offering in the opinion of the Managing Underwriter without having such adverse effect, then the amount of Registrable Securities to be offered for the accounts of Holders shall be determined based on the provisions of Section 2.02(b) or in such other manner as such Selling Holders may agree. Any notice required to be provided in this Section 2.02(a) to the Holders shall be provided on a Business Day and receipt of such notice shall be confirmed by the Holders. Holders shall then have two Business Days (or one Business Day in connection with any overnight or bought Underwritten Offering) after notice has been delivered to request in writing the inclusion of Registrable Securities in the Underwritten Offering. If no written request for inclusion from Holders is received within the specified time, each such Holder shall have no further right to participate in such Underwritten Offering. If, at any time after giving written notice of its intention to undertake an Underwritten Offering and prior to the closing of such Underwritten Offering, the Company shall determine for any reason not to undertake or to delay such Underwritten Offering, the Company may, at its election, give written notice of such determination to the Selling Holders and, (1) in the case of a determination not to undertake such Underwritten Offering, shall be relieved of its obligation to sell any Included Registrable Securities in connection with such terminated Underwritten Offering, and (2) in the case of a determination to delay such Underwritten Offering, shall be permitted to

delay offering any Included Registrable Securities as part of such Underwritten Offering for the same period as the delay in the Underwritten Offering. Any Selling Holder shall have the right to withdraw such Selling Holder's request for inclusion of such Selling Holder's Registrable Securities in such Underwritten Offering by giving written notice to the Company of such withdrawal at least one Business Day before the time of pricing of such Underwritten Offering. Holders may deliver written notice (an "Opt-Out Notice") to the Company requesting that such Holder not receive notice from the Company of any proposed Underwritten Offering; *provided, however*, that such Holder may later revoke any such Opt-Out Notice in writing prior to five Business Day before the time of pricing of such underwritten offering. Following receipt of an Opt-Out Notice from a Holder (unless subsequently revoked), the Company shall not be required to deliver any notice to such Holder pursuant to this Section 2.02(a) and such Holder (unless such Holder's Opt-Out Notice is subsequently revoked) shall no longer be entitled to participate in Underwritten Offerings by the Company pursuant to this Section 2.02(a).

(b) Priority. If the Managing Underwriter of any proposed Underwritten Offering of Common Stock involving Included Registrable Securities pursuant to this Section 2.02 advises the Company that the total amount of Common Stock that the Selling Holders and any other Persons intend to include in such offering exceeds the number of shares of Common Stock that can be sold in such offering without being likely to have an adverse effect on the price, timing or distribution of the Common Stock offered or the market for the Common Stock, then the Common Stock to be included in such Underwritten Offering shall include the number of Registrable Securities that such Managing Underwriter advises the Company can be sold without having such adverse effect, with such number to be allocated (i) first, to the Company or other party or parties requesting or initiating such registration, (ii) second, by the Selling Holders who have requested participation in such Underwritten Offering, allocated among such Selling Holders pro rata on the basis of the number of Registrable Securities held by each Selling Holder or in such manner as they may agree and (iii) third, by the other holders of Common Stock (other than Holders) with registration rights entitling them to participate in such Underwritten Offering, allocated among such other holders pro rata on the basis of the number of shares of Common Stock held by each applicable other holder or in such manner as they may agree.

Section 2.03 Underwritten Offerings.

(a) Demand Offering. In the event that any Holder elects to dispose of Registrable Securities under a Registration Statement pursuant to an Underwritten Offering and reasonably expects gross proceeds of at least \$25 million from such Underwritten Offering (together with any Registrable Securities to be disposed of by a Selling Holder who has elected to participate in such Underwritten Offering pursuant to Section 2.02), the Company shall, at the written request of such Selling Holder(s), enter into an underwriting agreement in a form as is customary in Underwritten Offerings of securities by the Company with the Managing Underwriter or Underwriters selected by the Company (subject to the written consent of the Initiating Holder of such Underwritten Offering, which consent shall not be unreasonably withheld), which shall include, among other provisions, indemnities to the effect and to the extent provided in Section 2.08, and shall take all such other reasonable actions as are requested by the Managing Underwriter or Underwriters in order to expedite or facilitate the disposition of such Registrable

Securities; *provided, however*, that the Company shall have no obligation to facilitate or participate in, including entering into any underwriting agreement for more than two Underwritten Offerings at the request of the Holders hereunder; *provided, further*, that if the Company is conducting or actively pursuing a securities offering of Common Stock with anticipated gross offering proceeds of at least \$25 million (other than in connection with any at-the-market offering or similar continuous offering program), then the Company may suspend such Selling Holders' rights to require the Company to conduct an Underwritten Offering pursuant to this Section 2.03; *provided, however*, that the Company may only suspend such Selling Holders' rights to require the Company to conduct an Underwritten Offering pursuant to this Section 2.03 once in any six-month period and in no event for a period that exceeds an aggregate of 75 days in any 180-day period or 105 days in any 365-day period.

(b) General Procedures. In connection with any Underwritten Offering contemplated by Section 2.03(a), the underwriting agreement into which each Selling Holder and the Company shall enter shall contain such representations, covenants, indemnities (subject to Section 2.08) and other rights and obligations as are customary in Underwritten Offerings of securities by the Company. No Selling Holder shall be required to make any representations or warranties to, or agreements with, the Company or the Underwriters other than representations, warranties or agreements regarding (i) such Holder's ownership of its Registrable Securities to be sold or transferred, (ii) such Selling Holder's authority to enter into such underwriting agreement and to sell or transfer such securities, (iii) its intended method of distribution and (iv) any other such matters or representations pertaining to compliance with securities laws as may be reasonably requested. If any Selling Holder disapproves of the terms of an Underwritten Offering contemplated by this Section 2.03, such Selling Holder may elect to withdraw therefrom by notice to the Company and the Managing Underwriter; *provided, however*, that such withdrawal must be made at least one Business Day prior to the time of pricing of such Underwritten Offering to be effective; *provided, further*, that in the event the Managing Underwriter or Underwriters of any proposed Underwritten Offering advise the Company that the total amount of Registrable Securities that Holders intend to include in such offering exceeds the number that can be sold in such offering without being likely to have an adverse effect on the price, timing or distribution of the Registrable Securities offered or the market for the Common Stock, and the amount of Registrable Securities requested to be included in such Underwritten Offering by the Holder that initiated such Underwritten Offering pursuant to Section 2.03(a) (the "Initiating Holder") is reduced by 50% or more, the Initiating Holder will have the right to withdraw from such Underwritten Offering by delivering notice to the Company at least one Business Day prior to the time of pricing of such Underwritten Offering. If, pursuant to the preceding sentence, the entire Demand Registration Request is revoked, then, at the option of the Holder or Holders who revoke such request, either (i) such Holder or Holders shall reimburse the Company for all of its reasonable and documented incremental out-of-pocket expenses incurred in the preparation, filing and processing of the Registration Statement or prospectus supplement with respect to such requested Underwritten Offering, which incremental out-of-pocket expenses, for the avoidance of doubt, shall not include overhead expenses and which requested Underwritten Offering, whether or not completed, will not decrease the number of Underwritten Offerings the Holders shall have the right and option to request under this Section 2.03.

(c) Priority. If the Managing Underwriter of any proposed Underwritten Offering of Registrable Securities pursuant to this Section 2.03 advises the Company that the total amount of Common Stock that the Selling Holders and any other Persons intend to include in such offering exceeds the number of shares of Common Stock that can be sold in such offering without being likely to have an adverse effect on the price, timing or distribution of the Common Stock offered or the market for the Common Stock, then the Common Stock to be included in such Underwritten Offering shall include the number of Registrable Securities that such Managing Underwriter advises the Company can be sold without having such adverse effect, with such number to be allocated (i) first, to the Selling Holder who requested such Underwritten Offering, (ii) second, to any other Holders of Registrable Securities who have elected to participate in such Underwritten Offering, allocated among such other Selling Holders pro rata on the basis of the number of Registrable Securities held by each such Selling Holder or in such other manner as such Selling Holders may agree, and (iii) third, to the Company.

Section 2.04 Sale Procedures. In connection with its obligations under this Article II, the Company shall, as expeditiously as possible:

(a) use its reasonable best efforts to prepare and file with the SEC such amendments and supplements to a Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Registration Statement effective for the Effectiveness Period and as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities covered by such Registration Statement;

(b) if a prospectus supplement will be used in connection with the marketing of an Underwritten Offering from a Registration Statement and the Managing Underwriter at any time shall notify the Company in writing that, in the sole judgment of such Managing Underwriter, inclusion of detailed information to be used in such prospectus supplement is of material importance to the success of the Underwritten Offering of such Registrable Securities, the Company shall use its reasonable best efforts to include such information in such prospectus supplement;

(c) furnish to each Selling Holder (i) as far in advance as reasonably practicable before filing a Registration Statement or any other registration statement contemplated by this Agreement or any supplement or amendment thereto, upon request, copies of reasonably complete drafts of all such documents proposed to be filed (including exhibits and each document incorporated by reference therein to the extent then required by the rules and regulations of the SEC other than annual or quarterly reports on Form 10-K or 10-Q, respectively, current reports on Form 8-K or proxy statements; *provided, however*, that such reports or proxy statements shall be provided at least two Business Days prior to filing in connection with any Underwritten Offering), and provide each such Selling Holder the opportunity to object to any information pertaining to such Selling Holder and its plan of distribution that is contained therein and make the corrections reasonably requested by such Selling Holder with respect to such information prior to filing a Registration Statement or such other registration statement or supplement or amendment thereto, and (ii) such number of copies of such Registration Statement or such other registration statement and the prospectus included

therein and any supplements and amendments thereto as such Selling Holder may reasonably request in order to facilitate the public sale or other disposition of the Registrable Securities covered by such Registration Statement or other registration statement;

(d) if applicable, use its reasonable best efforts to register or qualify the Registrable Securities covered by a Registration Statement or any other registration statement contemplated by this Agreement under the securities or blue sky laws of such jurisdictions as the Selling Holders or, in the case of an Underwritten Offering, the Managing Underwriter, shall reasonably request; *provided, however*, that the Company shall not be required to qualify generally to transact business in any jurisdiction where it is not then required to so qualify or to take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject;

(e) promptly notify each Selling Holder, at any time when a prospectus relating thereto is required to be delivered by any of them under the Securities Act, of (i) the filing of a Registration Statement or any other registration statement contemplated by this Agreement or any prospectus or prospectus supplement to be used in connection therewith, or any amendment or supplement thereto, and, with respect to such Registration Statement or any other registration statement or any post-effective amendment thereto, when the same has become effective; and (ii) the receipt of any written comments from the SEC with respect to any filing referred to in clause (i) and any written request by the SEC for amendments or supplements to such Registration Statement or any other registration statement or any prospectus or prospectus supplement thereto;

(f) promptly notify each Selling Holder, at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of (i) the happening of any event as a result of which the prospectus or prospectus supplement contained in a Registration Statement or any other registration statement contemplated by this Agreement, as then in effect, includes an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading (in the case of any prospectus contained therein, in the light of the circumstances under which a statement is made); (ii) the issuance or express threat of issuance by the SEC of any stop order suspending the effectiveness of such Registration Statement or any other registration statement contemplated by this Agreement, or the initiation of any proceedings for that purpose; or (iii) the receipt by the Company of any notification with respect to the suspension of the qualification of any Registrable Securities for sale under the applicable securities or blue sky laws of any jurisdiction. Following the provision of such notice, the Company agrees to as promptly as practicable amend or supplement the prospectus or prospectus supplement or take other appropriate action so that the prospectus or prospectus supplement does not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing and to take such other commercially reasonable action as is necessary to remove a stop order, suspension, threat thereof or proceedings related thereto;

(g) upon request and subject to appropriate confidentiality obligations, furnish to each Selling Holder copies of any and all transmittal letters or other correspondence with the SEC or any other governmental agency or self-regulatory body or other body having jurisdiction (including any domestic or foreign securities exchange) relating to such offering of Registrable Securities;

(h) in the case of an Underwritten Offering, use its reasonable best efforts to furnish to the underwriters upon request, (i) an opinion of counsel for the Company dated the date of the closing under the underwriting agreement and (ii) a “cold comfort” letter, dated the pricing date of such Underwritten Offering and a letter of like kind dated the date of the closing under the underwriting agreement, in each case, signed by the independent public accountants who have certified the Company’s financial statements included or incorporated by reference into the applicable registration statement, and each of the opinion and the “cold comfort” letter shall be in customary form and covering substantially the same matters with respect to such registration statement (and the prospectus and any prospectus supplement included therein) as have been customarily covered in opinions of issuer’s counsel and in accountants’ letters delivered to the underwriters in Underwritten Offerings of securities by the Company and such other matters as such underwriters and Selling Holders may reasonably request;

(i) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the SEC, and make available to its security holders (which may be satisfied by making such information available on the SEC’s Electronic Data Gathering, Analysis and Retrieval system or any successor system known as “EDGAR”), as soon as reasonably practicable, an earnings statement, covering a period of twelve months beginning within three months after the Effective Date of such Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 promulgated thereunder;

(j) make available to the appropriate representatives of the Managing Underwriter and Selling Holders access to such information and Company personnel as is reasonable and customary to enable such parties to establish a due diligence defense under the Securities Act; *provided*, that the Company need not disclose any non-public information to any such representative unless and until such representative has entered into a confidentiality agreement with the Company;

(k) use its reasonable best efforts to cause all such Registrable Securities registered pursuant to this Agreement to be listed on each securities exchange or nationally recognized quotation system on which the Common Stock are then listed or quoted;

(l) use its reasonable best efforts to cause the Registrable Securities to be registered with or approved by such other governmental agencies or authorities as may be necessary by virtue of the business and operations of the Company to enable the Selling Holders to consummate the disposition of such Registrable Securities;

(m) provide a transfer agent and registrar for all Registrable Securities covered by such registration statement not later than the Effective Date of such registration statement;

(n) enter into customary agreements and take such other actions as are reasonably requested by the Selling Holders or the underwriters, if any, in order to expedite or facilitate the disposition of such Registrable Securities (including, in the case of an Underwritten Offering of \$50 million or greater of Registrable Securities (calculated based on the Registrable Securities Amount), making appropriate officers of the Company available to participate in any “road show” presentations before analysts, and other customary marketing activities (including one-on-one meetings with prospective purchasers of the Registrable Securities)); *provided, however*, that the officers of the Company shall not be required to dedicate an unreasonably burdensome amount of time in connection with activities for any Underwritten Offering;

(o) if requested by a Selling Holder, (i) as soon as practicable incorporate in a prospectus supplement or post-effective amendment such information as such Selling Holder reasonably requests to be included therein relating to the sale and distribution of Registrable Securities, including information with respect to the number of Registrable Securities being offered or sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities to be sold in such offering, and (ii) as soon as practicable make all required filings of such prospectus supplement or post-effective amendment after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment; and

(p) if reasonably required by the Company’s transfer agent, use commercially reasonable efforts to promptly deliver any authorizations, certificates and directions required by the transfer agent which authorize and direct the transfer agent to transfer such Registrable Securities without legend, in accordance with applicable law, upon sale by the Holder of such Registrable Securities under the Registration Statement.

Notwithstanding anything to the contrary in this Section 2.04, the Company shall not name a Holder as an underwriter (as defined in Section 2(a)(11) of the Securities Act) in any Registration Statement without such Holder’s consent.

Each Selling Holder, upon receipt of notice from the Company of the happening of any event of the kind described in Section 2.04(f), shall forthwith discontinue offers and sales of the Registrable Securities by means of a prospectus or prospectus supplement until such Selling Holder’s receipt of the copies of the supplemented or amended prospectus contemplated by Section 2.04(f) or until it is advised in writing by the Company that the use of the prospectus may be resumed and has received copies of any additional or supplemental filings incorporated by reference in the prospectus, and, if so directed by the Company, such Selling Holder shall, or shall request the Managing Underwriter, if any, to deliver to the Company (at the Company’s expense) all copies in their possession or control, other than permanent file copies then in such Selling Holder’s possession, of the prospectus covering such Registrable Securities current at the time of receipt of such notice.

Section 2.05 Cooperation by Holders. The Company shall have no obligation to include Registrable Securities of a Holder in a Registration Statement or in an Underwritten Offering pursuant to Section 2.02(a) or Section 2.03(a) who has failed to timely furnish after receipt of a written request from the Company such information that the Company determines,

after consultation with its counsel, is reasonably required in order for the registration statement or prospectus supplement, as applicable, to comply with the Securities Act.

Section 2.06 Restrictions on Public Sale by Holders of Registrable Securities. To the extent requested by the Managing Underwriter, each Holder of Registrable Securities that participates in an Underwritten Offering will enter into a customary letter agreement with underwriters providing such Holder will not effect any public sale or distribution of Registrable Securities during the 60 calendar-day period beginning on the date of a prospectus or prospectus supplement filed with the SEC with respect to the pricing of such Underwritten Offering, *provided* that, notwithstanding the foregoing, (i) the duration of the foregoing restrictions shall be no longer than the duration of the shortest restriction imposed by the Underwriters on the Company or the officers, directors or any other Affiliate of the Company on whom a restriction is imposed and (ii) that the restrictions set forth in this Section 2.06 shall not apply to any Registrable Securities that are included in such Underwritten Offering by such Holder. In addition, this Section 2.06 shall not apply to any Holder that is not entitled to participate in such Underwritten Offering, whether because such Holder delivered an Opt-Out Notice prior to receiving notice of the Underwritten Offering or because the Registrable Securities held by such Holder may be disposed of without restriction pursuant to Rule 144 under the Securities Act (or any successor or similar provision adopted by the SEC then in effect).

Section 2.07 Expenses.

(a) Expenses. The Company shall pay all reasonable Registration Expenses as determined reasonably and in good faith by the Board, including, in the case of an Underwritten Offering, the Registration Expenses of an Underwritten Offering, regardless of whether any sale is made pursuant to such Underwritten Offering. Each Selling Holder shall pay its pro rata share of all Selling Expenses in connection with any sale of its Registrable Securities hereunder. For the avoidance of doubt, each Selling Holder's pro rata allocation of Selling Expenses shall be the percentage derived by dividing (i) the number of Registrable Securities sold by such Selling Holder in connection with such sale by (ii) the aggregate number of Registrable Securities sold by all Selling Holders in connection with such sale. In addition, except as otherwise provided in Sections 2.07 and 2.08 hereof, the Company shall not be responsible for legal fees incurred by Holders in connection with the exercise of such Holders' rights hereunder.

(b) Certain Definitions. "Registration Expenses" means all expenses incident to the Company's performance under or compliance with this Agreement to effect the registration of Registrable Securities on a Registration Statement pursuant to Section 2.01 or an Underwritten Offering covered under this Agreement, and the disposition of such Registrable Securities, including, without limitation, all registration, filing, securities exchange listing and NYSE fees, all registration, filing, qualification and other fees and expenses of complying with securities or blue sky laws, fees of the Financial Industry Regulatory Authority, Inc., fees of transfer agents and registrars, all word processing, duplicating and printing expenses, any transfer taxes, and the fees and disbursements of counsel and independent public accountants for the Company, including the expenses of any special audits or "cold comfort" letters required by or incident to such performance and compliance. "Selling Expenses" means all underwriting discounts and

selling commissions or similar fees or arrangements allocable to the sale of the Registrable Securities, transfer taxes and fees and disbursements of counsel to the Selling Holders, except for the reasonable fees and disbursements of counsel for the Selling Holders required to be paid by the Company pursuant to Sections 2.07 and 2.08.

Section 2.08 Indemnification.

(a) By the Company. In the event of a registration of any Registrable Securities under the Securities Act pursuant to this Agreement, the Company shall indemnify and hold harmless each Selling Holder thereunder, its directors, officers, managers, members, partners, employees, agents and Affiliates and each Person, if any, who controls such Selling Holder or its Affiliates within the meaning of the Securities Act and the Exchange Act, and its directors, officers, members, partners, employees or agents (collectively, the “Selling Holder Indemnified Persons”), against any losses, claims, damages, third party expenses incurred by or on such Holder’s behalf or liabilities (including reasonable attorneys’ fees and third party expenses incurred by or on such Holder’s behalf) (collectively, “Losses”), joint or several, to which such Selling Holder Indemnified Person may become subject under the Securities Act, the Exchange Act or otherwise, insofar as such Losses (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact (in the case of any prospectus, in light of the circumstances under which such statement is made) contained in (which, for the avoidance of doubt, includes documents incorporated by reference in) such Registration Statement or any other registration statement contemplated by this Agreement, any preliminary prospectus, prospectus supplement or final prospectus contained therein, or any amendment or supplement thereof, or any free writing prospectus relating thereto or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in light of the circumstances under which they were made) not misleading, and shall reimburse each such Selling Holder Indemnified Person for any legal or other third party expenses reasonably incurred by or on such Holder’s behalf in connection with investigating, defending or resolving any such Loss or actions or proceedings; *provided, however*, that the Company shall not be liable in any such case if and to the extent that any such Loss arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by such Selling Holder Indemnified Person in writing specifically for use in such Registration Statement or such other registration statement, or prospectus supplement, as applicable. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Selling Holder Indemnified Person, and shall survive the transfer of such securities by such Selling Holder.

(b) By Each Selling Holder. Each Selling Holder agrees severally and not jointly to indemnify and hold harmless the Company, its directors, officers, employees and agents and each Person, if any, who controls the Company within the meaning of the Securities Act or of the Exchange Act, and its directors, officers, employees and agents, to the same extent as the foregoing indemnity from the Company to the Selling Holders, but only with respect to information regarding such Selling Holder furnished in writing by or on behalf of such Selling

Holder expressly for inclusion in such Registration Statement or any other registration statement contemplated by this Agreement, any preliminary prospectus, prospectus supplement or final prospectus contained therein, or any amendment or supplement thereof, or any free writing prospectus relating thereto; *provided, however*, that the liability of each Selling Holder shall not be greater in amount than the dollar amount of the proceeds (net of any Selling Expenses) received by such Selling Holder from the sale of the Registrable Securities giving rise to such indemnification.

(c) Notice. Promptly after receipt by an indemnified party hereunder of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party hereunder, notify the indemnifying party in writing thereof, but the omission to so notify the indemnifying party shall not relieve it from any liability that it may have to any indemnified party other than under this Section 2.08. In any action brought against any indemnified party, it shall notify the indemnifying party of the commencement thereof. The indemnifying party shall be entitled to participate in and, to the extent it shall wish, to assume and undertake the defense thereof with counsel reasonably satisfactory to such indemnified party and, after notice from the indemnifying party to such indemnified party of its election so to assume and undertake the defense thereof, the indemnifying party shall not be liable to such indemnified party under this Section 2.08 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation and of liaison with counsel so selected; *provided, however*, that, (i) if the indemnifying party has failed to assume the defense or employ counsel reasonably acceptable to the indemnified party or (ii) if the defendants in any such action include both the indemnified party and the indemnifying party and counsel to the indemnified party shall have concluded that there may be reasonable defenses available to the indemnified party that are different from or additional to those available to the indemnifying party, or if the interests of the indemnified party reasonably may be deemed to conflict with the interests of the indemnifying party, then the indemnified party shall have the right to select a separate counsel and to assume such legal defense and otherwise to participate in the defense of such action, with the reasonable expenses and fees of such separate counsel and other reasonable expenses related to such participation to be reimbursed by the indemnifying party as incurred. Notwithstanding any other provision of this Agreement, no indemnifying party shall settle any action brought against any indemnified party with respect to which such indemnified party is or may be entitled to indemnification hereunder without the consent of the indemnified party, unless the settlement thereof imposes no liability or obligation on, and includes a complete and unconditional release from all liability of, and does not contain any admission of wrongdoing by, the indemnified party.

(d) Contribution. If the indemnification provided for in this Section 2.08 is held by a court or government agency of competent jurisdiction to be unavailable to any indemnified party or is insufficient to hold them harmless in respect of any Losses, then each such indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such Loss in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of such indemnified party on the other in connection with the statements or omissions that resulted in such Losses, as well

as any other relevant equitable considerations; *provided, however*, that in no event shall such Selling Holder be required to contribute an aggregate amount in excess of the dollar amount of proceeds (net of Selling Expenses) received by such Selling Holder from the sale of Registrable Securities giving rise to such indemnification. The relative fault of the indemnifying party on the one hand and the indemnified party on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact has been made by, or relates to, information supplied by such party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contributions pursuant to this paragraph were to be determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to herein. The amount paid by an indemnified party as a result of the Losses referred to in the first sentence of this paragraph shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating, defending or resolving any Loss that is the subject of this paragraph. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who is not guilty of such fraudulent misrepresentation.

(e) Other Indemnification. The provisions of this Section 2.08 shall be in addition to any other rights to indemnification or contribution that an indemnified party may have pursuant to law, equity, contract or otherwise. To the extent that any of the Holders is, or would be expected to be, deemed to be an underwriter of Registrable Securities pursuant to any SEC comments or policies or any court of law or otherwise, the Company agrees that (i) the indemnification and contribution provisions contained in this Section 2.08 shall be applicable to the benefit of such Holder in its role as deemed underwriter in addition to its capacity as a Holder (so long as the amount for which any other Holder is or becomes responsible does not exceed the amount for which such Holder would be responsible if the Holder were not deemed to be an underwriter of Registrable Securities) and (ii) such Holder and its representatives shall be entitled to conduct the due diligence which would normally be conducted in connection with an offering of securities registered under the Securities Act, including receipt of customary opinions and comfort letters.

Section 2.09 Rule 144 Reporting. With a view to making available the benefits of certain rules and regulations of the SEC that may permit the sale of the Registrable Securities to the public without registration, the Company agrees to use its reasonable best efforts to:

(a) make and keep public information regarding the Company available, as those terms are understood and defined in Rule 144 under the Securities Act (or any successor or similar provision adopted by the SEC then in effect), at all times from and after the date hereof (which may be satisfied by making such information available on EDGAR);

(b) file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act at all times from and after the date hereof; and

(c) so long as a Holder owns any Registrable Securities, furnish, (i) to the extent accurate, forthwith upon request, a written statement of the Company that it has complied with the reporting requirements of Rule 144 under the Securities Act (or any similar provision then in effect) and (ii) unless otherwise available electronically at no additional charge via the SEC's EDGAR system, to such Holder forthwith upon request a copy of the most recent annual or quarterly report of the Company, and such other reports and documents as such Holder may reasonably request in availing itself of any rule or regulation of the SEC allowing such Holder to sell any such securities without registration.

Section 2.10 Transfer or Assignment of Registration Rights. The rights to cause the Company to register Registrable Securities under this Article II may not be transferred or assigned except pursuant to this Section 2.10.

(a) If a Holder transfers or assigns all (and not less than all) of the Registerable Securities Beneficially Owned by such Holder, then such Holder may transfer or assign its rights pursuant to this Agreement to such transferee or assignee.

(b) If a Holder transfers or assigns (A) 20% or more of the Registerable Securities issued on the Closing Date but less than all of the Registerable Securities issued on the Closing Date, then the transferee or assignee thereof shall be entitled to the rights granted to a Holder pursuant to this Agreement except those contained in Section 2.03 and (B) less than 20% of the Registerable Securities issued on the Closing Date, then the transferee or assignee thereof shall be entitled to the rights granted to a Holder pursuant to this Agreement except those contained in Sections 2.02 and 2.03.

(c) In the case of any such transfer or assignment where the transferee or assignee shall have any rights of a Holder hereunder, the Holder making such transfer or assignment must provide the Company written notice of any said transfer or assignment, stating the name and address of each such transferee or assignee and identifying the Registerable Securities Beneficially Owned thereby.

Section 2.11 Limitation on Subsequent Registration Rights. From and after the date hereof, the Company shall not, without the prior written consent of the Required Holders, enter into any agreement with any current or future holder of any equity securities of the Company that would allow such current or future holder to require the Company to include equity securities in any registration statement filed by the Company on a basis other than pari passu with, or expressly subordinated to the piggyback rights granted to the Holders pursuant to Section 2.02; provided, that in no event shall the Company enter into any agreement that would permit another holder of securities of the Company to participate on a superior or pari passu basis (in terms of priority of cut-back based on advice of Underwriters) with a Holder requesting registration or takedown in an Underwritten Offering pursuant to Section 2.03(a).

Section 2.12 Termination of Registration Rights. The rights to cause the Company to register Registrable Securities granted to the Required Holders by the Company under this Article II shall terminate upon the date on which all Registrable Securities no longer constitute Registrable Securities in accordance with Section 1.02.

VOTING AGREEMENT

THIS VOTING AGREEMENT (this “Agreement”) is made and entered into as of August 3, 2021 by and among Callon Petroleum Company, a Delaware corporation (the “Company”), and each of the undersigned stockholders listed on the signature page hereto (each, a “Stockholder” and collectively, the “Stockholders”) of the Company.

WHEREAS, the Company has entered into an Exchange Agreement on or about August 3, 2021 (the “Exchange Agreement”), pursuant to which the Company will issue to Chambers Investments, LLC, a Delaware limited liability company (“Kimmeridge”), in exchange for certain principal amounts of the Company’s 9.00% Second Lien Senior Secured Notes due 2025 held by Kimmeridge, new shares of common stock, par value \$0.01, of the Company (the “Exchange”).

WHEREAS, each Stockholder has agreed that certain shares of the Company’s common stock (“Company Common Stock”) owned by it shall be subject to the terms and conditions of this Agreement.

NOW, THEREFORE, intending to be legally bound, the parties hereto hereby agree as follows:

1. Certain Definitions. Capitalized terms that are used but not otherwise defined herein shall have the respective meanings ascribed to them in the Exchange Agreement. For purposes of this Agreement, the following terms shall have the following respective meanings:

(a) “Affiliate” shall mean, with respect to a specified Person, any other Person, directly or indirectly Controlling or Controlled by or under direct or indirect common Control with such specified Person.

(b) “Control,” “Controlling” or “Controlled” means, as to a specified Person, the power to direct or cause the direction of the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise.

(c) “Beneficially Own” shall have the meaning assigned to such term in Rule 13d-3 under the Securities Exchange Act of 1934, as amended, and any Person’s beneficial ownership of securities shall be calculated in accordance with the provisions of such Rule.

(d) “Expiration Time” shall mean the earlier to occur of (i) such date and time as the Exchange Agreement shall have been terminated in accordance with its terms, and (ii) the Exchange.

(e) “Person” shall mean any individual, corporation, limited liability company, general or limited partnership, business trust, unincorporated association or other business organization or entity, or any governmental body or authority.

(f) “Shares” shall mean any and all voting securities of the Company beneficially owned (however held or titled, and including joint ownership) by the Stockholder as of the record date (whether now owned or hereafter acquired) for every meeting of stockholders of the Company called with respect to the Proposal (as defined below), and every postponement or adjournment thereof.

(g) Transfer. A Person shall be deemed to have effected a “Transfer” of a security if such person directly or indirectly (i) sells, pledges, encumbers, grants an option with respect to, transfers or disposes of such security or any interest in such security, or (ii) enters into an agreement or commitment providing for the sale of, pledge of, encumbrance of, grant of an option with respect to, transfer of or disposition of such security or any interest therein.

2. Voting Restrictions. Each Stockholder hereby agrees that, other than pursuant to the terms of this Agreement, at all times during the period commencing with the execution and delivery of the Exchange Agreement and continuing until the Expiration Time, each Stockholder shall not, directly or indirectly, grant any proxies or enter into any voting trust or other agreement or arrangement that would transfer, limit or otherwise affect the rights of the Stockholder with respect to the voting of any Shares in respect of the Proposal (as defined below).

3. Agreement to Vote Shares. Each Stockholder hereby, each separately, agrees with the Company that, at all times during the period commencing with the execution and delivery of the Exchange Agreement and continuing until the Expiration Time, the Stockholder shall (a) when a meeting of the stockholders of the Company is called to present the Exchange for a vote of the stockholders (whether or not an adjourned or postponed meeting), appear at such meeting or otherwise cause any shares of Company Common Stock Beneficially Owned by such Stockholder to be counted as present thereat for the purpose of establishing a quorum and (b) with respect to any meeting at which a vote of the Company’s stockholders is requested, vote, or cause to be voted at such meeting, all shares of Company Common Stock Beneficially Owned by such Stockholder or any of its Affiliates (including by proxy or written consent, if applicable) (i) in favor of any proposal (the “Proposal”) to approve the Exchange and in favor of any other matter presented or proposed that is related to the Exchange in accordance with the terms and conditions set forth in the Exchange Agreement, (ii) against any other proposal, transaction, agreement or other action inconsistent with or made in opposition to approval of the Exchange and (iii) in favor of any proposal to adjourn or postpone such stockholder meeting to a later date if there are not sufficient votes to approve the Exchange. Prior to the Expiration Time, each Stockholder shall not enter into any agreement or understanding with any person to vote or give instructions in any manner inconsistent with the terms of this Agreement. The provisions of this Section 3 shall apply to all Shares owned as of the record date for the vote on the Proposal (the “Record Date”), regardless of whether a Transfer of some or all of such Shares occurs after the Record Date.

4 . Irrevocable Proxy. Each Stockholder hereby, each separately, appoints the Company and any designee of the Company (determined in the Company’s sole discretion) as its

proxy and attorney-in-fact (with full power of substitution), for and in the name, place and stead of such Stockholder, to vote or cause to be voted (including by proxy or written consent, if applicable) its shares of Company Common Stock to approve the Exchange at any such meeting of the Company's stockholders in accordance with Section 3 hereof. This proxy is given to secure the performance of the duties of each Stockholder under this Agreement. Each Stockholder shall take such further action or execute such other instruments as may be necessary to effectuate the intent of this proxy. The proxy and power of attorney granted pursuant to Section 4 by each Stockholder shall be irrevocable during the term of this Agreement, shall be deemed to be coupled with an interest sufficient in law to support an irrevocable proxy and shall revoke any and all prior proxies granted by such Stockholder. The power of attorney granted by each Stockholder herein is a durable power of attorney and shall survive the bankruptcy, death or incapacity of such Stockholder. The proxy and power of attorney granted hereunder shall terminate upon the termination of this Agreement.

5. Representations and Warranties of the Stockholders. Each Stockholder hereby represents and warrants, severally and not jointly, to the Company that this Agreement has been duly and validly executed and delivered by such Stockholder and (assuming due authorization, execution and delivery of this Agreement by the Company) constitutes the valid and binding obligation of such Stockholder, enforceable against such Stockholder in accordance with its terms, except as enforcement may be limited by general principles of equity whether applied in a court of law or a court of equity and by bankruptcy, insolvency and similar laws affecting creditors' rights and remedies generally.

6. Termination. This Agreement shall terminate and be of no further force or effect whatsoever upon the Expiration Time without any action on the part of any party hereto.

7. Miscellaneous.

(a) Waiver. No waiver by any party hereto of any condition or any breach of any term or provision set forth in this Agreement shall be effective unless in writing and signed by each party hereto. The waiver of a condition or any breach of any term or provision of this Agreement shall not operate as, or be construed to be, a waiver of any other previous or subsequent breach of any term or provision of this Agreement.

(b) Severability. In the event that any term, provision, covenant or restriction set forth in this Agreement, or the application of any such term, provision, covenant or restriction to any person, entity or set of circumstances, shall be determined by a court of competent jurisdiction to be invalid, unlawful, void or unenforceable to any extent, the remainder of the terms, provisions, covenants and restrictions set forth in this Agreement, and the application of such terms, provisions, covenants and restrictions to persons, entities or circumstances other than those as to which it is determined to be invalid, unlawful, void or unenforceable, shall remain in full force and effect, shall not be impaired, invalidated or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by applicable law.

(c) Binding Effect; Assignment. This Agreement and all of the terms and provisions hereof shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors and permitted assigns, but, except as otherwise specifically provided herein, neither this Agreement nor any of the rights, interests or obligations of the Stockholders may be assigned to any other Person without the prior written consent of the Company.

(d) Amendments. This Agreement may not be modified, amended, altered or supplemented, except upon the execution and delivery of a written agreement executed by each of the parties hereto; provided that any amendment to an agreement between a specific party and the Company contained herein shall only require the consent of such parties and not all parties hereto.

(e) Specific Performance; Injunctive Relief. Each of the parties hereto hereby acknowledge that (i) the representations, warranties, covenants and restrictions set forth in this Agreement are necessary, fundamental and required for the protection of the Company and to preserve for the Company the benefits of the Exchange, (ii) such covenants relate to matters which are of a special, unique, and extraordinary character that gives each such representation, warranty, covenant and restriction a special, unique, and extraordinary value, and (iii) a breach of any such representation, warranty, covenant or restriction, or any other term or provision of this Agreement, will result in irreparable harm and damages to the Company which cannot be adequately compensated by a monetary award. Accordingly, the Company and each Stockholder hereby expressly agree that in addition to all other remedies available at law or in equity, the Company shall be entitled to the immediate remedy of specific performance, a temporary and/or permanent restraining order, preliminary injunction, or such other form of injunctive or equitable relief as may be used by any court of competent jurisdiction to restrain or enjoin any of the parties hereto from breaching any representations, warranties, covenants or restrictions set forth in this Agreement, or to specifically enforce the terms and provisions hereof.

(f) Governing Law. This Agreement shall be governed by and construed, interpreted and enforced in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision, rule or principle (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(g) Entire Agreement. This Agreement and the other agreements referred to in this Agreement set forth the entire agreement and understanding of the Company and the Stockholders with respect to the subject matter hereof and thereof, and supersede all prior discussions, agreements and understandings between the Company and the Stockholders, both oral and written, with respect to the subject matter hereof and thereof.
